Dear Mr.

STATINTL

が特別の影響を表する

Thank you for your Agency's letter of August 15 indicating acceptance of an AIAA National Capital Section meeting at your Headquarters facility.

We would like to suggest the evening of March 11, 1976 for this activity in accordance with Mr. Rodriquez's plan. If this is satisfactory, we can then continue the arrangements by telephone. I can be contacted at 466-4868. Please suggest an alternate date if this is not convenient.

Again, we appreciate your interest to host this group, which we understand now can be accommodated to a size of 200 to 225.

Sincerely,

Herbert E. Pearce
